Walter Raleigh Hotel
O'Brien's Place
Youghal
Co. Cork
P36 RX22

We are pleased to confirm that your business has completed the requirements for the COVID-19 Safety Charter. We know that right now, consumers are looking for reassurance, so by displaying the COVID-19 Safety Charter symbol throughout your establishment and on your website, you are showing customers that you take their safety seriously. In this way, you can help those customers look forward to a great experience.

We have enclosed your COVID-19 Safety Charter document. We would recommend that this document is signed by the general manager and displayed prominently to show that your business is agreeing to follow all recommended safety and cleaning guidelines and all employees have completed the training.

We have also included some COVID-19 Safety Charter branded decals, sticker sheets and staff pins to ensure this symbol is visible throughout your establishment. The consumer research that has informed the development of this scheme has indicated that having the charter symbol highly visible will help provide reassurance and encourage customers to visit your establishment. You have received an email with a digital toolkit which includes a range of customisable print and digital assets should you wish to print more material or include the COVID-19 Safety Charter symbol on your website or social channels.

We thank you for voluntarily implementing the COVID-19 Safety Charter for your business and wish you the very best for the future.

Yours sincerely

Jenny DeSaulles
Director of Sector Development,
Fáilte Ireland

COVID-19 SAFETY CHARTER

Walter Raleigh Hotel

confirms that it has undergone relevant COVID-19 hygiene and safety training, has implemented and undertakes to maintain compliance with the Operational Guidelines for Re-opening and all other relevant government public health advice and has agreed to be subject to assessment at any time.

We display this Safety Charter as evidence of our on-going commitment to prevent the spread of COVID-19.

General Manager

September 2020
